

## JOURNAL PUBLISHING AGREEMENT

Manuscript ID: PPR - \_\_\_\_\_

Manuscript Title: \_\_\_\_\_

---

In order for Propulsion and Power Research to publish and disseminate research articles, we need certain publishing rights from authors, which are determined by a publishing agreement between the authors and Propulsion and Power Research.

For articles published open access, authors will retain copyright alongside scholarly usage rights, and Journal Owner will be granted exclusive publishing and distribution rights.

The undersigned, with the consent of all authors, hereby grants to Journal Owner an exclusive publishing and distribution license in the manuscript identified above and any tables, illustrations or other material submitted for publication as part of the manuscript (the “Article”) in print, electronic and all other media (whether now known or later developed), in any form, in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication.

The author(s) warrants that: (i) the Article is the original work of the author(s); (ii) it has never been published in its present form and it is not under consideration for publication in any other journals; (iii) it contains no matter that is scandalous, obscene, libelous, or otherwise contrary to law; (iv) it does not infringe the rights of others, and that any necessary written permissions to quote from other sources have been obtained by the author(s).

No responsibility is assumed by Propulsion and Power Research for any injury and/or damage to persons or property as a result of any actual or alleged libelous statements, infringement of intellectual property or privacy rights, or products liability.
